## **ELECTRIC HEAT RATE PROGRAM**

The electric heat rate program applies to members with approved electric space heating equipment.

- The primary heating system must be electric and metered separately.
- A premium electric water heater must be installed and provide 100% of the domestic water heating for the home.
- The space heated by the primary electric system must be an area of 400 square feet or more.
- This a rebate amount of \$100, but does not apply to heat pumps.
