## DUAL FUEL SPACE HEATING AGREEMENT

This Agreement made this \_\_\_ day of \_\_\_\_\_, 19\_\_\_, between the T.I.P. RURAL ELECTRIC COOPERATIVE, hereinafter called the "Cooperative", and \_\_\_\_\_ hereinafter called the "Member-Consumer", whereby the parties mutually agree to the following:

1. The Cooperative agrees to provide service to approved separately metered dual fuel space heating installations under the terms of the dual fuel space heating rate provision of the Cooperative's electric tariff.
2. The Member-Consumer, at his expense, shall modify his space conditioning equipment, service entrance and associated wiring and building envelope insulation levels to comply with the Cooperative's space conditioning equipment and installation standards and building envelope energy efficiency standards. This equipment will be installed with the Cooperative's discretion on where it is to be placed.
3. The Member-Consumer agrees to an initial inspection by a Cooperative employee of the space conditioning system and the building's wiring and construction characteristics to verify program compliance. The Cooperative reserves the right to conduct subsequent inspections of the space conditioning system and associated wiring and metering during normal working hours.
4. The Cooperative and/or its power supplier, at their expense, has the right to manage (control) the Member-Consumer's space conditioning system at such times and periods as determined by the Cooperative and/or its power supplier. The load will not be controlled for more than four hundred (400) hours per season. The control equipment may be installed at any time after the execution of this agreement.
5. The Cooperative and/or its power supplier shall not be liable to the Member-Consumer for any damage or loss which may be alleged to result from any malfunction of the control equipment installed under this Agreement, or from any electric power interruption.

This Agreement shall be binding upon the successors, assigns, or transferees in interest of the parties. These terms and conditions are accepted by the following authorized signatures.
